

Education Funding, Subsidies, and Academic Performance Gap between Migrant and Local Students in China

Jiayi Zou

MA Program in the Social Sciences, University of Chicago

Author Note

This project is the final assignment for Data to Manuscript in R (D2MR) instructed by Dr. Natalie Dowling. It also serves as an interim result of Jiayi Zou's MA thesis project. The author is grateful Dr. Dowling for supporting this project and offering guidance throughout the quarter.

Correspondence concerning this article should be addressed to Jiayi Zou, MA Program in the Social Sciences, University of Chicago, 1155 E 60th St., Chicago, IL 60637, USA, Email: jiayizou@uchicago.edu

Abstract

This document is a template demonstrating the apaquarto format. It includes examples of how to create figures and tables, as well as how to reference them in the text. The document is written in Quarto, a system for creating documents with R Markdown. The apaquarto extension provides a template for creating APA7-formatted manuscripts.

Keywords: education inequality, internal migration, education funding, fiscal decentralization

Education Funding, Subsidies, and Academic Performance Gap between Migrant and Local Students in China
